# YOUR DREAM LOCATION FOR ANY OCCASION

Fischer's Fritz is located at one of the most beautiful places Lake Zurich has to offer. The waterfront of Fischer's Fritz offers breathtaking views of the city backdropped with the mountain panorama.

Nothing is impossible with Fischer's Fritz: from a lakefront wedding to a unique company open-air event. Cap your romantic voyage by mooring in the intimate harbour of Fischer's Fritz and enjoy your special day with us. Or celebrate your birthday party with us in style by spending a night in one of our unique lakeside safari tents. If it's a more dignified experience you're after, you can stay in our cosy cottage or in our vintage Airstream caravan.

Allow your dreams to come true at Fischer's Fritz. Tell us your wishes and we will gladly satisfy them. From the perfect proposal to fish fresh from the lake.

# THE LARGE PRINT

We are no fans of small print on the last page. To ensure a smooth process, we ask you to observe the following points:

## **BASIS OF THE CONTRACT**

The reservation/order confirmation or the offer signed by the customer serves as the basis.

## **NUMBER OF PERSONS**

The customer is obliged to inform us of the binding number of persons as early as possible, but no later than 72 hours before the start of the event. This number of persons is the basis for invoicing. Any deviations from this number must be agreed upon and confirmed by us in writing.

## **MENU SELECTION**

The selection of food and beverages must be set no later than 14 business days before the event. The beverages will be charged according to what is consumed; the full costs of the pre-ordered food will be charged as a minimum.

## **TERMS OF PAYMENT**

The invoice must be paid within 10 days after the invoice date. For larger events we reserve the right to request a deposit of 50% of the final amount. The correct billing address must be provided prior to the event. For card payments, 3% commission will be added to the final amount.

## **CANCELLATIONS**

Cancellations or significant changes must be communicated to us as early as possible and in writing by the customer. For cancellations less than 30 days prior to the event, we reserve the right to charge 50% of the quote. For cancellations within 48 hours of the event, we will charge 100% of the prospective services.

## **MUSIC / PERFORMANCES**

Music is part of a lively party. We understand this completely. Unfortunately, the neighbours, authorities and police see things somewhat differently.

Normally, the night-time quiet hours are to be observed starting at 10 p.m. or the location will only allow music without amplification. And oftentimes music is only possible when the entire restaurant is rented for a party.

We therefore ask you to contact us in advance, so that we can incorporate your musical wishes into the planning. Or, perhaps you can simply switch to one of our other restaurants, where there is more of a possibility to play music on loudspeakers.

## **OUTDOOR MUSIC STRICTLY ALLOWED ONLY UNTIL 9.55 PM SHARP**

The party is in full swing and guests are dancing away. Unfortunately, we are required to have turned off the outdoor music by 10 pm, which is why we have to turn things down promptly at 9.55 pm. Regardless of any coaxing or pleading, we absolutely cannot be swayed on this point. Sorry, but we are forced to take an absolute zero-tolerance stance on this issue. If we don't, thanks to the Swiss sense of punctuality, we will immediately receive noise complaints at 10 pm. And we will then have to charge you CHF 5,000 in subsequent costs. What's more, the authorities will threaten to revoke our operating permit for the outdoor area, and that is something we simply cannot afford.

May we suggest that you start your event an hour earlier? Then your guests can request "One More Time" to their heart's content!

Thank you for understanding.

## **DECORATIONS**

Decorations are not included in the banquet and/or room costs. Decorations brought in may be delivered at the earliest 1 day before the event and must be removed within 3 days after the event. Uncollected decoration material will be disposed of at the organizer's expense.

## **SEATING**

Generally tables are set for 8 to 16 people. The tables are fixed table sets with benches. Chairs cannot be provided for reasons of space.

## **DAMAGES / LIABILITY**

The customer is liable for all damage to rooms, equipment, furniture and surroundings. Fischer's Fritz accepts no liability for loss or damage to items brought to the event.

## **CLEANING / WASTE**

If, as a result of extraordinary soiling, special cleaning and additional refuse collections have to be carried out, the customer will be charged for the additional expenditure.

## **JURISDICTION**

The contract is subject to Swiss law. The place of jurisdiction is Zurich.
